Verse 1:

So I left my home  
For the battleground  
And it's nothing like you were, no!  
I feel better now  
Better than you've ever felt before  
And there's no more storm  
I see better now  
These places you'll never know  
It's my weather now  
Make the dollar less important  
Or get used to being out of the cold

Chorus:

This is the strangest life I've ever known  
But I don't know if I can go on,  
And I told you I'm better now, I'm better now!  
[x2]

Verse 2:

Can't take it all  
While I dissipate and regain all the friends I lost  
You were in the way  
I'll just pick up where I left off  
And I'm so far gone  
All the mess I make  
It spills off my plate  
Aren't that wrong?  
Expect you to stay  
But I'm so far gone, yeah, I'm so far gone!

Chorus:

This is the strangest life I've ever known  
But I don't know if I can go on,  
And I told you I'm better now, I'm better now!

Verse 3:

Seeing roads that I've never seen  
But I don't know if they're drugs or me  
But I've seen too much, too many times  
[x2]

Chorus:

This is the strangest life I've ever known

But I don't know if I can go on,

And I told you I'm better now, I'm better now!

[x3]
