There are tears in my soup
And I'm eating my sorrow
There is snot in my macaroni
It's salty
There was love in my life
And it binged on my sorrow
When I went to the restroom
It was purging
Bu-Bulimia Bulimia...
In the toilet of life
Are my tears and my sorrow
As I pull down the handle
They are swirling
To the sewers of life
Go my tears and my sorrow
And I'm empty of macaroni
After hurling
Bu-Bulimia Bulimia...
