You've pushed me around
For the last time
I gave you a chance
And you gave me a hard time

I don't know who
You think you are
I'm leaving yeah
Cause you've gone too far

Yeah you gone too far

And I'm not your scapegoat
And I'm not your punching bag
And I won't be sorry
Cause I'm the best thing that you'll never have

You beat the crap
Out of my heart
Making me sad
Made you feel so smart

You're not a man
You're just a bum
I can see right through you
And I think you're dumb

Yeah I think you're dumb

And I'm not your scapegoat
And I'm not your punching bag
And I won't be sorry
Cause I'm the best thing that you'll never have
