Decisions like one way tickets
Making you aware
A farewell is not an option
Life's not always fair

Consistency lies upon
Steady movin' wheels
Nothing left to talk about
We all know how it feels

The last minute sympathy
Is our last chance
You'll seeâ€!

There is one dance left
There is one dance left
Grab hold of the moment
There is one memory left

Decisions like one way tickets
There's no turning back
Impossible to recreate
The moments in my head

We're so exhausted deep inside
We felt nothing until
The last time you turned around
My world was standing still

The last minute sympathy
Is our last chance
You'll seeâ€!

There is one dance left
There is one dance left
Grab hold of the moment
There is one memory left

There is one dance left
There is one dance left
Grab hold of the moment
There is one memory left
