The strangest things
The mocking bird sings of love
Yet stranger still the songs that he trills were born by a
dove
Well, I'll say what I mean even if I look foolish

I love you,
I love you, oh, I do
Oh, I love you

Oohhh, ohhh, oohh, ohhhh, oohhh
Oohhh, ohhh, oohh, ohhhh, oohhh

Well the soul that I swing
And the heart I'd bring are humble
Its you I want

I love you,
I love you, oh, I do
Oh, I love you

I love you, I always have (x12)

I love you,
I love you, oh, I do
Oh, I love you

I love you, I always have (x10)
