10 shirts, 9 skirts, 8 pairs of pants
70 kilos, doing my suitcase packing dance
What do you complain about? You know your camper is
immense
Drive all day, boredom wouldn't stand a chance

Very far in a big car with a very cute chauffeur
Further still, time to kill, you drive and I stare
What do you complain about? You know my driving
skills impaired
Drive all day, boredom wouldn't even dare

Very very far!
OPSOLAR!
Hartstikke ver!
SURSOLAIR!

Our back sit doesn't lack any modern luxury
Bling Bling! Pow Pow! A stylish pair are we
Nothing to complain about, good living naturally
Boredom is so bored he plays Monopoly

Very very far!
OPSOLAR!
Hartstikke ver!
SURSOLAIR!

Yes, very far
In a mega car
Who cares where we are
When home is in the back seat baby!
Fun is our trademark
Party's our place to park
Soon it's gonna get dark, so
Get drunk! Hunk! Home is in the trunk!

Very very far!
OPSOLAR!
Hartstikke ver!
SURSOLAIR!
