

One Less Reason

"bread"

Visit "[bread](#)" on MotoLyrics.com

The reason why you don't rest
The reason why you don't see
Layer by
Layer you lay
Layer by
Layer you lay

The reason why you don't rest
A brick for me
The reason why you don't see

(Shakin in your bones is required
To dream up large colossal empires
Shakin in your bones is required)

The reason why you don't rest

The reason why you don't see
(Shakin in your bones is required
To dream up large colossal empires
Shakin in your bones is required)

Layer by
Layer you lay
(Shakin in your bones)
