If I said the wrong thing would you leave?
Though my fingers may break, I just can't let you go
Don't know why I believed you,
Not with that promise you made me just yesterday

(Chorus)

I will always love you, take the me out of you
A lot of people gonna be dissapointed when they find
out,
I love you and I need you
Til my heart stops beating,
I'll never lose this feeling
A lot of people gonna be dissapointed when they find
out~ç~€~!

3:11 again

Though I'm not your best friend,
Don't you see I will do anything to keep you with me
Close your eyes, hold on tight, spin around, it's alright
Don't you see my plans will always have you in them?

(Chorus)

I will always love you, take the me out of you
A lot of people gonna be dissapointed when they find
out,
I love you and I need you
Til my heart stops beating,
I'll never lose this feeling
A lot of people gonna be dissapointed when they find
out
When they find out~ç~€~!yea

I said that a lot people gonna be dissapointed when
they find out~ç~€~!
