Hello, How are you?
I think I'm fine, I've just been dying.
Out of touch, a little numb.
Always hurt but I'm surviving.

I was full of pride when I looked inside,
Sometimes I'd like to laugh but I would love to cry.
With the words you would say and the games you
would play,
You have always been the reason that I get this way.

You taught me never to hesitate,
You realized too late,
You would need a super-hero to take my place.
All the times I tried,
I never thought you would lie,
Was it fun or was it more?

Not today, not that way,
That's not the way that it should be.
Out of love, out of hate,
Out of everything you could never be.

You taught me never to hesitate,
You realized too late,
You would need a super-hero to take my place.
All the times I tried,
I never thought you would lie,
Was it fun or was it more?

That's more than I could take.
I'm just not made that way.
I'd give it all back for one chance to be beside you.
I'd give it all back for one chance to guide you.
I'd give it all back for another chance for you to save
me...
Save me.

You taught me never to hesitate,
You realized too late,
You would need a super-hero to take my place.
All the times I tried,

I never thought you would lie,
Was it fun or was it more?
