

One Less Reason

"The Holidays"

Don't know much about life these days
All I know is what I've been told
Well then lately everything seems to fall on deaf ears
I didn't know "you" were gone until it was too late (hey)

And if it all, it ALL maybe my fault
I'll pay the constant ACHE thru the "holidays"
Give me one more shotâ€¦ any, all or noneâ€¦
A way back to your heart

Don't remember much these days
Only "Us" when you were just 19
Well, Lately everything seems so Fucked up!
I didn't know you were gone until it was too late

And if all if all, it ALL maybe my fault
I'll pay the constant ACHE thru the "holidays"
Give me one more shotâ€¦. Any, all, or noneâ€¦
A way back to your heartâ€¦..

And if all if all, it ALL maybe my fault
I'll pay the constant ACHE thru the "holidays"
Give me one more shotâ€¦. Any, all, or noneâ€¦
A way back to your heartâ€¦..
