There was a dream  
I had it too  
You could see it  
Coming true

It would travel  
In the air  
You could make it  
If you dared

Now the sun goes down over Dolly Parton bridge  
The one time home of soul takes our country's final  
breath

I guess it takes  
More than a man  
More than a dream  
For such a fight  
Graceland is a ghost town tonight

This ain't a trip  
With my son  
There's no guitar  
Shines in the sun

Those days are gone  
May new ones come  
Before it's all just  
A museum

Now the sun goes down over Dolly Parton bridge  
The one time home of soul takes our country's final  
breath

I guess it takes  
More than a king  
More than a song  
For such a fight  
Graceland is a ghost town tonight

I guess it's been a long decline

God bless the souls that shook up mine

Graceland is a ghost town

Graceland is a ghost town

Graceland is a ghost town tonight
