I'll go, I'll go, I'll go wherever you go
I would never leave without letting you know

Don't you give up on me
Don't you give up on me

You're told, you're told, you're told you'll never get old
so don't you
Ever show us, show us your bones

'Cause I'll dig, I'll dig, I'll dig our own little hole, put the
walls
Around us, call it our home

Don't you give up on me
Don't you give up on me

You're all I got
This time wont stop

I'll go I'll go wherever you go
Don't you give up on me

Don't you give up on me
Don't you give up on me
