Well at first I noticed  
All the things you would do now  
Where the things I wanted  
But you said you didn't know how  
Take a break from working  
Was that too much to ask  
Would of worked hard for this  
She had in a flash

Now she gets the best of you  
While the rest of you  
Is left back with me  
She don't have a clue  
Just what to do with you...

I don't like her  
I'm a hater  
Your in love  
I'm in love  
It's not fair  
She gets the good guy  
I got the player  
So I don't like her  
I'm a hater  
I'm a hater  
I'm a hater

Oh was that my bracelet  
That she's wearing on her wrist  
The one I wanted  
Maybe I just wasn't worth it  
Didn't I  
(Didn't I give you love?)  
Hey  
(So what does she do different?)  
So different?

(Now she)  
Gets the best of you  
While the rest of you is left back with me  
She don't have a clue  
Just what to do with you

I don't like her  
I'm a hater  
Your in love  
I'm in love  
It's not fair

She gets the good guy  
And I got the player  
So I don't like her(don't like her)  
I'm a hater  
I'm a hater  
I'm a hater  
I'm a hater

(didn't I give you love?)Give you love  
Hey  
(So what does she do different?)So different?  
(Now she)Gets the best of you  
While the rest of you  
Is left back with me  
She don't have a clue  
Just what to do with you

I don't like her  
I'm a hater  
Your in love  
I'm in love  
It's not fair  
She gets the good guy  
And I got the player  
So I don't like her(I don't like her)  
I'm a hater  
I'm a hater  
I'm a hater  
I'm a hater
