You remind me of infinity  
The way things should have been  
Nothing limited

You definitely make me wanna sleep  
with the light on  
with remembering

You are making me you are mercury  
You are questioning you are answering  
You are fumbling for that little thing  
You are finding it  
You are letting go  
You are finding me perpetually  
You are anagrams You are achronyms

I am fortunate  
a pomegranate  
You're the myth of luck  
I'm a little duck
