

Miss Yana "Lovin' It"

Visit "[Lovin' It](#)" on MotoLyrics.com

I know that you
Have nothing to say
So now you're better
Play it my way
Don't need your drama
Loving your style
I'm a sexy mama
And you'll be my guy
'Cause there's no better than me around (it's clear)
Lucky that you have found (me here)
Something I've thought about
When you whispered in my ear that..

Chorus:
You'll be lovin' n lovin' n lovin' n lovin' me
All night
Lovin' n lovin' n lovin' me
Till the dark becomes light
Lovin' n lovin' n lovin' me
Like a sweetest delight
Oh you'll be lovin' n lovin' n lovin' me
Yes you got that right!

Eyes like mine
Are hard to find
Look at them baby
And i'll read your mind
Oh please be careful
And do it right
I'm a wild and pretty kitten
Teases then bites

'Cause there's no better than me around (it's clear)
Lucky that you have found (me here)
Something i've thought about
When you whispered in my ear that..

Chorus

Starving for satisfaction
So feed your appetite
Support your words with actions

There's nothing you can hide
All day
All night
Give me another bite
All day
All night
I want it hot not mild!

'Cause there's no better than me around (it's clear)
Lucky that you have found (me here)
Something i've thought about
When you whispered in my ear that..

Chorus
