OXYGEN

Second, by second  
Time is going by  
Goes on the record  
We can't resign  
Blood pressure is rising  
Heart 's beating fast  
Eyes recognizing  
You're not a wish  
You're must

Not enough oxygen  
For me to breathe  
Feelings like helium  
Lift me of of my feet  
Not enough oxygen  
To stay alive  
You're my oxygen  
Without you i'll die  
/x2

Aahh

It's getting hotter  
I'm losing my breath  
Melting like butter  
Lungs under arrest  
My soul is escaping  
Voice is getting weak  
I'm not mistaken  
'Cause you're the one  
I'll keep

Not enough oxygen  
For me to breathe  
Feelings like helium  
Lift me of of my feet  
Not enough oxygen  
To stay alive  
You're my oxygen  
Without you i'll die

/x2

Aahh.. ahh

Not enough air, not enough air, not enough airâ€¦!  
Not enough air, not enough air, not enough airâ€¦!

Aaahâ€¦!ahh

Not enough air, not enough air, not enough airâ€¦!  
Not enough air, not enough air, not enough airâ€¦!

You are my oxygen

Not enough air, not enough air, not enough airâ€¦!

You are my oxygen

Not enough air, not enough air, not enough airâ€¦!

You are my oxygen
