If you feeling lonely  
On the Saturday night  
You should turn your Freak on  
That you're hiding inside  
Put on brightest clothes and glitter  
Show us you're a "heavy hitter"  
Rock, rock this party tonight

Movements getting slower  
So what that you're alone (came by yourself to the club)  
Tomorrow is hangover  
But now dance babe, this is your song  
Work, work, work your body girl  
Work, work, work your body girl  
Move, move, move those hips to the groove /x2

You got kinda tipsy  
To forgecha stress  
Dance like true blood gypsy  
Till you lose your breath  
Flirt with guys, if you feel naughty  
You can hit the after-party  
Rock...rock this party tonight!  
Some drunk guy's cheese story  
Interfering with your plans  
But babe no need to worry  
Go dance now  
This is your chance!

Work, work, work your body girl  
Work, work, work your body girl  
Move, move, move those hips to the groove /x2

Gayda na dance-floor!

Work your body girl  
Move your body girl  
Work your body girl  
Move those hips to the groove  
Work, work  
Move, move  
Work work

Move

Taram tararam tarat tarat tatayram  
Tararararara rampa parayra  
Taram tararam tarat tarat tatayram  
Tararararara rampa parayra Tam taram ta rai HEY  
Tam taram ta rai HEY HEY  
Tam taram ta rai

Work, work, work your body girl  
Work, work, work your body girl  
Move, move, move those hips to the groove /x4
