Last words
It hurts
Your love
Not enough

Time passing us by
Lies taste much sweeter than truth
I won't let myself cry
The knife went too deep
Now i lose..
Last words
Last look
It hurts
You got me hooked
Don't touch
Because your love
Is too much
Or not enough

CHORUS:
I'll let you break my heart
I'll beg to scream my name
No I'm not asking for a lot
I need your love
Your love's my drug

You and things that you do
Never knew
That it could be this way
Blood is turning blue
I'm caught & I want you to stay
Last words
Last look
It hurts
You got me hooked
Don't touch
Because your love
Is too much
Or not enough

Chorus.

One look in your eyes
Lights fires within
Through ten thousand tries
Still no chance to win
Wish we could escape
Lay under blue sky ..
(Just take all I've got, but give me your love)

Hear pain in my voice
When i say your name
I do have a choice
But still feel the same
I gave you my heart
I gave you my soul
Just take all I've got
But give me your love

Last words
Last look
It hurts
You got me hooked
Don't touch
Because your love
Is too much
Or not enough

Chorus
