Last Night I Found The Answers At The Bottom Of My  
Drink  
Surrounded By All The On Goings Of The Hapless And  
The Meek  
And When I Can't Feel No More  
My Answers Take Me To The Door With Self-Inflicted  
Wounds  
A Lifetime Spent Here-To-Fore Holding Knives In The  
Hopes Of Cutting Some More

Another Night  
Another Line Broken  
Another Lie In The Air Amidst Us  
Another Night  
Another Lie Goes On Unending

Last Night On My Way Home They Were Calling Me Out  
On The Streets  
Rubbing Salt In The Wounds I'd Left From The Fisticuffs  
With Me  
And When I Can't Feel No More My Anger  
Take Me To The Door With Hate Down In My Veins  
A Lifetime Spent Here-To-Fore A Lonely Soul In Decay  
And In Search For The End.  
Another Night  
Another Line Broken  
Another Lie In The Air Amidst Us  
Another Night  
Another Lie Goes On Unending  
Another Night  
Another Line Broken  
Another Lie In The Air Amidst Us  
Another Night  
Another Lie Goes On Unending
