Oh No Not Again

I've Cut Myself

Far Too Deep

With The Glass On The Floor

I Broke Last Night

I'm In Trouble So We Don't Speak

And When I Call The Phone Just Rings

You'd Take My Eyes Out If You Could

I Know You Would

It's The Same Mistake

I'll Always Make...I Lost My Head

And Now You Want Me Dead

I Must Take Leave My Love

For A Few Nothin' More

Till I'm Singing In The Drink

She Wants Me Dead
