don't know much about life these days
All I know is what I've been told
Well then lately everything seems to fall on deaf ears
I didn't know [I f A ç â, -Ã...](#) "you [f A ç â, -Ã, A](#) were gone
until it was too late (hey)

And if it all, it ALL maybe my fault
I'll pay the constant ACHE thru the
[f A ç â, -Ã...](#) "holidays [f A ç â, -Ã, A](#)
Give me one more shot [f A ç â, -Ã, A](#) any, all or
none [f A ç â, -Ã, A](#)!
A way back to your heart

don't remember much these days
Only [f A ç â, -Ã...](#) "Us [f A ç â, -Ã, A](#) when you were just
19
Well, Lately everything seems so Fucked up!
I didn't know you were gone until it was too late
And if all if all, it ALL maybe my fault
I'll pay the constant ACHE thru the
[f A ç â, -Ã...](#) "holidays [f A ç â, -Ã, A](#)
Give me one more shot [f A ç â, -Ã, A](#). Any, all, or
none [f A ç â, -Ã, A](#)!
a way back to your heart [f A ç â, -Ã, A](#)!..

And if all if all, it ALL maybe my fault
I'll pay the constant ACHE thru the
[f A ç â, -Ã...](#) "holidays [f A ç â, -Ã, A](#)
Give me one more shot [f A ç â, -Ã, A](#). Any, all, or
