From Down The Block  
They Came Marching To The Beat  
Handing Out Trouble To The Unsuspecting Lot  
Forming Up Lines  
They're All Out Tonight  
Here They Come  
Through Younger Eyes  
Another Day In The Life Just Idles By  
The Fool's Paradise  
Smiling On Them Tonight

When The Lights Went Down  
They Were Always Ready For The Action Playing Down  
Front  
Until Life Killed The Boys At The Leisure Pace  
For The Long Ride One More Time

One More Time Through  
A Day Earns An Honest Wage For Rules  
Followed In Tune To The Artificial Lights  
Closing Up Shop  
They're All Off Tonight  
Here They Come  
Through Weary Eyes  
Another Day In The Life Just Idles By  
The Fools Paradise  
Leaning On Them Tonight

When The Lights Went Down  
They Were Always Ready For The Action Playing Down  
Front  
Until Time Killed The Boys At The Leisure Pace  
For The Long Ride One More Time

Hey The Days Have Slipped It Seems  
To The Half Seas Over Their Dreams  
But They Still Keep Coming To A Different Place  
For The Long Ride One More Time.
