"Baby It's You"

Visit "[Baby It's You](#)" on MotoLyrics.com

It's you that I need girl, uh, come on, uh
It's you that I need girl, uh, come on, uh
It's you that I need girl, uh, come on, uh
'Cause you're the only one for me

Some people see me dreaming and they suspect it's
you
Some people keep my heart singing but I know it's true
'Cause I'd only smile once in a while
Now it's written on my face all day long and it shows
The way that I feel
Yes everybody knows what is going on

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo

Some people see us together, they say we look so
good
Some say it won't last forever, they never understood
Who's holding me safe, who's got the strength
Who's got the shoulder I cry on when I can't go on
It's for sure, you stole my heart
Who's responsible for making me feel so strong

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo

Every night when the sun goes down (sun goes down)
I thank God for this love that I've found
When they ask me, I tell them it's you

The one that I care for

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo

Baby it's you, it's you that I care for
Baby it's you
(Cause you're the only one for me)
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
It's you, it's you, oh it's you
Doo, doo, doo, doo, doo

Baby it's you, it's you that I care for
Baby it's you
It's you that I'm living my life for
Baby it's true, the one I would die for
Doo, doo, doo, doo, doo
