Doo, da doo doo doo, da doo doo doo

Theirs such a thin line, exists in my mind
From where I am to where I wanna be
Give me a sign, that you could be mine
And turn my dream into reality

And I won't give up now (I won't give up now)
I won't give up now (I won't give up now)
I won't give up now

I've been dreaming about you
I've been dreaming about you
And theirs nothing that I wouldn't do
For your love

I close my eye's and think of you now
And I imagine you're in front of me (Imagine you're
here)
I don't know why, I believe it somehow
One day I'll have you here to hold me

And I won't give up now (I won't give up now)
I won't give up now (I won't give up now)
I won't give up now

I've been dreaming about you
I've been dreaming about you
And theirs nothing that I wouldn't do
For your love
For your love

And if I can be with you, I know I'll always be
Always be in love

I've been dreaming
Dreaming about you

And theirs nothing (Nothing)
Nothing I wouldn't do for your love
Your love

I've been dreaming about you (Baby I've been
dreaming)
I've been dreaming about you
Baby let me tell you theirs nothing (nothing) that I
wouldn't do
For your love (Love)
For your love (Your love, your love, your love, your love)
For your love

They'll never be enough time beyond the stars for me
to fantasize about you, hmm
Ya know or even dream about you

Come on baby (Dreaming about you)
Alright, come on, come on baby (Dreaming about you)
Yeah, alright, I don't wanna stand no more, come on
(Dreaming about you)
You're in my dreams (Dreaming about you)
Don't you go no where (Dreaming about you)
Come on, Baby (Dreaming about you)
I'm dreaming about you girl come on (Dreaming about
you)
I wanna tell you girl (Dreaming about you)
Ooh ah (Dreaming about you)
I'm dreaming (Dreaming about you)
