And if you only let me in, I'll be good, so good to you
And if I get the chance again, I'll give it all
Nothing short of everything

I left my message on your answer phone
Poured out my heart right after the tone
Feeling so alone, it's something that I think you should
know, yes it is, yeah
Three weeks and I'm already lost (Ooh ooh ooh)
I'm left with nothing and I'm counting the cost
Sitting on my own, theirs no place for me to go, no no
no no no

'Cause I can't think of anywhere else I'd rather be
And theirs just one particular place
I'm begging you please, please, please

And if you only let me in, I'll be good, so good to you
And if I get the chance again, I'll give it all
Nothing short of everything

Give me the answer that I'm waiting for
Don't leave me standing on the wrong side of the door
You can't ignore, my heart ain't gonna take any more
I can't take any more

'Cause I can't think of anywhere else where I'd rather
be
And theirs just one particular place
I'm begging you please, please, please

And if you only let me in, I'll be good, so good to you
And if I get the chance again, I'll give it all
Nothing short of everything

And if you only let me in, I'll be good, so good to you
And if I get the chance again, I'll give it all (Give me
one more chance)
Nothing short of everything

Ooooooh, Ooooooh and I'll promise you
Yeah yeah yeah, girl let me in, I'll give you everything

'Cause my heart it won't take any more

And if you only let me in (Let me in girl)
I'll be good, so good to you
And if I get the chance again
I'll give it all, nothing short of everything

And if you only let me in, I'll be good, (I'll be good) so
good to you (I'll be good to you)
And if I get the chance again, I'll give it all (I'll be good)
Nothing short of everything
