Visit "[Show Me A Sign](#)" on MotoLyrics.com

This is for the ones who care
The one who isn't always there
This one's for you, now show me a sign

This is for the ones who care
If you already know what has been said
This one's for you, now show me a sign

Someone raise a lights up
Light up the sky above
If you're with me now show me a sign

Someone raise a lights up
Lights up the sky above
If you're with me now show me a sign

Someone raise a lights up
Lights up the sky above
If you're with me now show me a sign

(Put your f*ckin lights up)

This is for the ones who care
This is for the ones who care

This is for the ones who care

Someone raise a lights up
Lights up the sky above
If you're with me now show me a sign

Someone raise a lights up
