Put on those shades  
And wave to yesterday  
The sunlight hurts my eyes  
[x?]

Sunlight hurts my [x5]  
Sun [x?]  
The sunlight hurts my eyes [x?]

Don't look to the skies  
  
Eyes [x5]

Put on those shades  
And wave to yesterday  
The sunlight hurts my eyes  
[x3]

Put on those shades  
And wave to yesterday  
The sunlight hurts my

Don't look to the skies  
  
The sunlight hurts my eyes [x7]

Don't look to the skies

Bring the beat back [x2]

The sunlight hurts my eyes
