Tear-stained pillows in your bed  
Sleepless nights that just never seems to end  
Far too many tears and shed  
We ca not let this go on  
Coz we're your friends

Anguish kept in secrecy  
Anguish kept in secrecy

Everywhere we look around  
We are told how to act and how to be  
Lately you won't even eat  
And save up money for beauty surgery

Anguish kept in secrecy  
Anguish kept in secrecy  
Anguish kept in secrecy

Open up your eyes, see the world for a minute  
Nothing is as perfect as we try to paint it  
Listen to the storm turning into a breeze  
Nothing is as perfect as it seems

We're brought up with fairy tales  
Where the good guys are wise and beautiful  
In those worlds nobody's plain  
All of the bad guys are ugly, mean and dull

But that's not reality  
Anguish kept in secrecy  
Anguish kept in secrecy

Open up your eyes, face the world for a minute  
Nothing is as perfect as we try to paint it  
Listen to the storm turning into a breeze  
Nothing is as perfect as it seems
