Now everybody just Get Out

Get Out On The Floor  
Get Out On The Floor

The weekend's back  
The night-attack  
Will make you flee the day  
Let troubles go away  
It's time for you to dare now  
The eyes that meet  
The body heat  
Will make you feel alive  
Why don't you make a dive  
In to the burning atmosphere now

The weekend's back  
Don't lose the track  
Of what is happening  
The music's gonna make you  
Dance and sing

Get Out on the floor  
Get Out on the floor  
And let your body move  
Like never before  
Get Out on the floor  
Get Out on the floor  
Now everybody just get out!

Now there you are  
A smoky bar  
A crowded dancing-floor  
The lights that flash for sure  
The atmosphere is so inviting  
You feel the heat and feel the beat  
You take a look around at people in the crowd  
The atmosphere is so exciting

Now here's your chance  
Get up and dance and let your body move

The music's here for you to feel alive

Get Out on the floor  
Get Out on the floor  
And let your body move  
Like never before  
Get Out on the floor  
Get Out on the floor  
Now everybody just get out!  
Let your body move!
