Lights were shining in the dark when you came around
Felt that everlasting love finally was found
So I wouldn't listen to friends of mine who said
That your reputation was very, very bad

I refused to realize, I refused to see
You are an incurable bachelor to be
Can't recall how many times I have said "we're
through"
But every time it happens you know just what to do

You're giving me a winning smile
And slowly raise an eyebrow
You're looking deep in to my eyes
When Putting On The Charm
You're giving me a dashing smile
Your voice gets warmer somehow
You're looking deep in to my eyes
When Putting On The Charm

I've seen through a lot of lies that you've given me
And though you're sometimes gone for days, I wait
patiently
Many times I've packed my bags, said that "we are
through"
But every time it happens you know just what to do

You're giving me a winning smile
And slowly raise an eyebrow
You're looking deep in to my eyes
When Putting On The Charm
You're giving me a dashing smile
Your voice gets warmer somehow
You're looking deep in to my eyes
When Putting On The Charm

Lights were shining in the dark when you came around
Felt that everlasting love finally was found
'Coz you have a charm that takes everyone by storm
Loving you has made me starry eyed, I know!

You're giving me a winning smile
And slowly raise an eyebrow
You're looking deep in to my eyes
When Putting On The Charm
You're giving me a dashing smile
Your voice gets warmer somehow
You're looking deep in to my eyes
When Putting On The Charm
