It was so cold and lonely here in my double bed  
Since you walked right out on me  
And in my head I saw her laying there in your arms  
Pleased and smiling scornfully  
I felt the jealousy that almost tore me apart  
Vendictive feelings kept on churning deep in my heart  
My mind was set on just one track  
How could I get you to come back

It is so warm and cosy here in my double bed  
Can't believe how good I feel  
It took some time to check my temper, discard my  
mask  
Now my laughter is for real

I've learned to revel in my aloneness to the full  
It seems so long ago that I kept losing control  
I shed my mask, renewed myself  
For sure, I've left you on the shelf  
I have got the whole quilt now to myself

Great to have - The Whole Quilt All To Myself  
Finally - my hilarity's no more just an act  
Great to keep - The Whole Quilt All To Myself  
I feel good as well as healed inside  
I feel fine without you and that's a fact

It is so warm and cosy here in my double bed  
I have got the whole quilt now to myself

I know the jealousy once almost tore me apart  
Vendictive feelings kept on churning deep in my heart  
I've soothed my wounds, the scars have healed  
I can't believe how good I feel  
I have got the whole quilt now to myself

Great to have - The Whole Quilt All To Myself  
Finally - my hilarity's no more just an act  
Great to keep - The Whole Quilt All To Myself  
I feel good as well as healed inside  
I feel fine without you and that's a fact
