Winter has tucked in the village
And blankets the stables
Young hearts warm up in the tavern
There's food on the tables

He and his Wilderness Mistress
Are dancing like mist inside a waterfall
Glowing with pride in the darkness
Kiss in the mist inside a waterfall

But rumors, like wind-driven snowflakes
Are spreading and falling
Starlight on frosty lakes shining
So crisp and enthralling

He and his wilderness mistress
Are fleeing like mist into a waterfall
Glowing with pride in the darkness
Kiss in the mist inside a waterfall

A wagon rolls into the moonlight
And snowdrifts along a winding road stand tall
Hoofbeats still clatter around the hills
Carefree and wistful as a waterfall

Night snow has left a new blanket
Erasing their traces
Bravely they wander together
With spring in their faces

He and his wilderness mistress
Are dancing like mist inside a waterfall
Glowing with pride in the darkness
Kiss in the mist inside a waterfal
