Now I am on my way
There's not need to rest, there's no time to play
I know I'm strong alone
When the others stop, I'll keep moving on
Heading forward to the stairway
Starting to climb
I will get there
All I need is Time

I'm not like them at home
In my small hometown where I lived and grew
I'll take them all by storm
'Cause my elbow's sharp and my smile is warm
I believe that my existence
Will be sublime
I will prove it
All I need is Time
(Just sign your name here
Just sign your name here)

But there's no Time,
No time, nor patience
There's no Time,
No time, nor patience
I will get there, I will get there
Though there's no patience

I'm in a state of change
In my brand new car I will set the pace
Start at the bottom floor
I'll be on the top very soon for sure
Now I finally got a job where
Failure's a crime
I will show them
All I need is time

But there's no Time,
No time, nor patience
There's no Time,
No time, nor patience
