( Intro )

I Loved Somebody Broke My Heart

Haaaa

I Loved Somebody Made Me Look Like A Stupid Fool

I Loved Somebody Made Me Such A Prank

Haaaa

I Gave Her My Soul And My Heart And She Offended Me

( Chorus )

Fuck This Love That Killed My Heart And Made A  
Senseless Man

Fuck People I Trusted Then They Lied And Cheated Me

I Wanna Forget Everybody Hurt Me But I Can't

'Cause My Heart Now Has A Big Gash Time Couldn't  
Remove

( Chorus )

Fuck This Love That Killed My Heart And Made A  
Senseless Man

Fuck People I Trusted Then They Lied And Cheated Me

I Wanna Forget Everybody Hurt Me But I Can't

'Cause My Heart Now Has A Big Gash Time Couldn't  
Remove

( Hook )

Fuck Love

Fuck Love

Fuck Love That Breaks Our Hearts

Fuck Love

Fuck Love Fuck Love That Gets Us Feelin' Hurt

Fuck Love

Fuck Love

Fuck Love That Always Takes Us Apart

Fuck Love

Fuck Love Fuck Love That Ends Before It Even Starts

( Chorus 2 )

The Worst Feeling You May Feel

Is Being Broken By Somebody You Really Loved

When You Feel You Got A Big Hard Shove

By The Ones You Trusted

By The Ones You Loved By The Ones That You

Dedicated Your Life To  
I Wanna Restart My Life Again  
To Be Careful And Aware

( Hook )
