Jesus, Your love takes my breath away
I can't get You off my mind
I think about You night and day

When the tears fell from my eyes
You caught 'em in the nick of time
Oh, Jesus, Your love takes my breath away

Jesus, Your love
(Takes my breath away)
It feels like sunshine when I have a cloudy day

It's a feeling that I can't explain
All I have to do is
(Call Your name)

Call Your name
(Oh, Jesus
Your love takes my breath away)

Jesus, Your love is like a sweet melody
I get joy when I think about all the things You've done
for me
(No other love can compare)

Every time I needed You, when I needed You
You were always there
(Oh, Jesus, Your love takes my breath away)

Jesus, Your love takes my breath away
I can't get You off my mind
I think about You night and day

When the tears fell from my eyes
You caught 'em in the nick of time
Oh, Jesus, Your love takes my breath away

I can't breathe, I can't breathe
I can't sing, can't sing
I can't live, I can't live
No, no, no, no

I can't walk, I can't walk
I can't talk, can't talk
Without Your love, without Your love
Without Your love, without Your love

I can't walk, I can't walk
I can't talk, can't talk
Without Your love, without Your love

Jesus, Your love takes my breath away
I can't get You off my mind
I think about You night and day

When the tears fell from my eyes
You caught 'em in the nick of time
Oh, Jesus, Your love takes my breath away

Jesus, Your love takes my breath away
I can't get You off my mind
I think about You night and day

When the tears fell from my eyes
You caught 'em in the nick of time
Oh, Jesus, Your love, Jesus, Your love

Jesus, Your love takes my breath away
Takes my breath away, breath away
Takes my breath away, takes my breath away
