Mmm, ooh, I know the pain you feel inside  
And the tears you try to hide  
In your heart you ask God why  
Can you help me, will you help me, please?

Take away the pain  
Where's the sun, I feel the rain  
Then I hear your spirit say  
That I am

Free, free to lift my hands  
Free to say Amen  
Free to know that someday I will smile again  
I'm free, free to laugh, not cry  
Free to live, not die, because of your love  
Ooh, now I'm, I'm free, yes, I am, ooh

I know, you're troubled by your past  
And you hide behind your mask  
The misery it seems to last  
Through the night, but it's alright, joy

Is just a prayer away  
Don't look back at yesterday  
Then I hear your spirit say, that I am

Free, free to lift my hands  
Free to say Amen  
Free to know that someday I will smile again  
I'm free, free to laugh, not cry  
Free to live, not die, because of your love  
Ooh, now I'm, I'm free, yes, I am, ooh

Ohh, no more chains and loneliness  
For Christ has set me free  
Ohh, for we are more than conquerors  
Through His love now I can see that I am

Free, free to lift my hands  
Free to say Amen  
Free to know that someday I will smile again  
I'm free, free to laugh, not cry

Free to live, not die, because of your love  
Ooh, now I'm, I'm free, yes, I am, ooh

Satan used to hold me  
No longer by me  
I am free, yeah, Lordy  
Ooh, thank you, Jesus
