What happened to I'm sorry and I love you?
What happened to pay me back when you can?
What happened to let's wait until we're married?
What happened to a boy growing up becoming a man?

People don't pray no more
People don't smile no more
People don't love no more
Because they've lost their hearts, hearts, hearts
Because they've lost their hearts

What happened to waking up on Sunday morning
Mama in the kitchen singing gospel songs?
What happened to let's talk instead of fighting?
And making it home before the street lights came on

People don't speak no more
People don't laugh no more
People don't love no more
Because they've lost their hearts, hearts, hearts
Because they've lost their hearts, hearts, hearts
Because they've lost their hearts

Lord, I know it's not supposed to be this way
You're the only one that can take this pain away
(This pain away)
So we can feel your grace

Then we can smile again
The we can laugh again
Then we can sing again
We won't have to worry, no
Then we can dance again
Then we can love again

'Cause you gave us back our hearts, hearts, hearts
'Cause you gave us back our hearts
(We worship you)
Hearts, hearts
'Cause you gave us back our hearts
