Trouble all around  
(Pressing me)  
People all around  
(Stressing me)  
I realize You  
(Just testing me)  
'Cause through it all You  
(Keep blessing me)

My mind's made up no stopping me  
I gotta get to my destiny  
People, I hope y'all hearing me  
For God has given us victory

Said it's time to move on, I been here too long  
My life has been changed, no longer the same  
Today's a new day, tomorrow's far away  
I got to be strong 'cause it's time to move on

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Hey, Myron, where the crew at?  
Uh, they right here, huh, here we go

No more lonely nights  
Wondering when it's gonna be alright  
I'm more than a conquerer  
And all my battles he's gonna fight  
Ain't nobody stopping me  
And ain't nobody blocking me  
No more turning back because I got the victory

Said it's time to move on, I been here too long  
My life has been changed, no longer the same  
Today's a new day, tomorrow's far away  
I got to be strong 'cause it's time to move on

Hey, people movin' on, lift your hands up, say what, yo,  
I'm gone  
Hey, people, won't be long got my bags packed and  
dude, yo, it's on  
Hey, people, don't you wait give Him praise y'all, tell

me who you with  
Hey, check it, I'm movin' on, lift your hands up, say  
what, yo, I'm gone

I'm movin' on, movin' on  
I'm movin' on, movin' on  
I'm movin' on, movin' on  
I'm movin' on, movin' on

Said it's time to move on, I been here too long  
My life has been changed, no longer the same  
Today's a new day, tomorrow's far away  
I got to be strong 'cause it's time to move on

Said it's time to move on, I been here too long  
My life has been changed, no longer the same  
Today's a new day, tomorrow's far away  
I got to be strong 'cause it's time to move on

To all my folk tired of staying in the same situation, eh  
You ready to go to the next level with God  
You're not ashamed to go to the next level  
'Cause you know that God has a greater work for you to  
do  
Get up off your feet right now  
It's time to move on, yeah, yeah, I'm out
