Have you ever questioned life?  
Have you taken it for granted?  
The troops march back around and around and around  
and around  
But if I die before I'm older,

I can't be there for you,  
I can't be there for you.

Do you ever daydream? I do.  
I wanna share it with you.  
Can I have a daydream with you?

Cos I'm dreaming...

Sometimes we lose people,  
Sometimes life not fair.  
I'm travel until you tremble  
Cos i just dont care

And this is what it feels like  
And this is what it sounds like  
And this is what it feels like  
And this is what it sounds like to me

Do you ever daydream? I do.  
I wanna share it with you.  
Can I have a daydream with you?
