Mmmmmmmmmmmmm

Cherish this cause when it doesn't last you'll wish you had

I will cherish this

I will be humble again

What will it take to get me to get where I'm going

Do you know the way?

Do you know when the tunnel ends?

Lord have mercy on me

Mmmmmmmmmmmmm

I see house of lies built upon a foundation of sand.

Th was our home

That was our life, but we fell in

Then it was dark and we could see no more

But somehow we found each other

Somehow we found hope

If you carry your will, I will carry my will

If you carry your will, I will carry my will

If you carry your will, I will carry my will

If you carry your will, I will carry my will

Let your faith guide your faith [20x]

If you carry your will, I will carry my will

If you carry your will, I will carry my will

If you carry your will, I will carry my will

If you carry your will, I will carry my will

Let your faith guide your faith [3x]

Mmmmmmmmmmmmm

Cherish this cause when it doesn't last you'll wish you had.
