You can call me crazy-  
guess I'm kinda wild  
Don't be intimidated.  
It's only scary for a little while-  
(Yeah, yeah, yeah)  
before it makes you smile.  
(Yeah, yeah)

Alternative- I'm the sweetest sin.  
Don't be scared to touch it boy-  
sink your teeth in for a while  
(Yeah, yeah, yeah)  
and we can go for miles  
(Yeah, yeah)

There's a party in my head-  
I want you to stay.  
Get lost in my maze.  
I want you to stay.

I wanna love you like an Animal (yeah)  
I wanna touch you like an Animal (yeah)  
I wanna hear the sound of you losing all control-  
losing all control like an Animal

I don't have to fake it If you do your job-  
Acting's overrated  
Wind me up- You'll never wanna stop.  
(Yeah, yeah, yeah)  
I guess I'm on the prowl.  
(Yeah, yeah)

There's a party in my head-  
I want you to stay.  
Get lost in my maze.  
I want you to stay.

I wanna love you like an Animal (yeah)  
I wanna touch you like an Animal (yeah)  
I wanna hear the sound of you losing all control-  
losing all control like an Animal

Overdo it- 'til my mind I'm losing  
Oh ohhhh oh oh oh oh  
Bodies making music-  
Go ahead and use me.  
Oh ohhhh oh oh oh oh

(Chants)

There's a party in my head-  
I want you to stay.  
Get lost in my maze.  
I want you to stay.

I wanna love you like an Animal (yeah) I wanna touch  
you like an Animal (yeah) I wanna hear the sound of  
you losing all control- losing all control like an animal
