Let's talk about the platinum p.

Folks asking 'bout what it might be

Don't everybody own it?

Wanna get up on it-

All about the fly ladies

Yes -

We know what boys like

We know what they want

Try to get you all tipsy

Well you can't come home with me

Take you out to Chin Chin's

For a little din din

Asking for gratuity

If you don't give a

Like I don't give a-

hurt something, hurt something

hurt something, hurt something

Boys want the Platinum P.

Boys love the

Boys love the

Platinum

Boys want the Platinum P.

Boys want the

Boys want the

You own it

You try to keep the boys up off it

You own it

You try to keep the boys up off it

Jack and Jill went up a hill

Jack told her he's a baller

She threw him down

He hit the ground

His grills came tumbling after

Got money well you can't buy me

Wanna deal? Try Micky Dees

We know what boys like

We know what they want

Try to get you all tipsy

Well you can't come home with me

Take you out to Chin Chin's

For a little din din

Asking for gratuity

If you don't give a

Like I don't give a-

hurt something, hurt something

hurt something, hurt something

Ain't no party like a platinum party

'cause a platinum party don't stop

You want my body

'cause I always finish on top

Boys want the Platinum P.
