Yeah, it's going down like this
Friday night chillin at my homeboys pad
Shaved my head and post it up with my gat
Homies throw a gangsta party in my hood
Tweaked out bunch of hoes came from hollywood
Line after line bitches sniffing crystal at the house
Nonstop love sucking dick in the mouth
Homie-omin having having blast
Got my hoodrat eating dick sucking fast smoking kush
and blowing purp in the air air
Marijuana smoke fill the room in the air air air
