Call me Denzel Hurricane , numb you up like novocaine.  
Promise you wont feel a thang, I'll make sure you dont  
complain.

Yeah I got my PHD yeah im highly qualified. Keep your  
eyes on my pendulum. Just kick back and enjoy the  
ride.

You sweep me right off of my feet I'll do whatever you  
say, you blow me away. 4X

Ill go wherever you go, boy just let me know, I'll do  
whatever you say, You blow me away 4X

Yeah I got you hypnotized , your friends they gone  
criticize, cause you live out your fantasy and all they do  
is fantasize .

No I am no janitor but I sweep you of your feet, you can  
call me pyrexia cause I keep you hot and I keep you  
weak

You sweep me right off of my feet I'll do whatever you  
say, you blow me away. 4X
