yeaah that's how i like it come on
what? i didn't think so
it's just my style..

it's in the minutes about to happen
with the back of my hand i chop the top of a mountain
like jimmy got you screaming "gimmy?" but you don't
even know me if i were to write a book it would be
published by tate

You either love me or you leave me alone
you gotta realise you dealing with a "menstruator
capone? "

Just cus I roam don't mean that you could sit on my
throne
I'm never home alone, some say I'm out to lunch
I go commando, I keep my panties in a bunch
I'm the look out to see what trouble I can find; I can
blow your mind
To smithereens, I'm like an over-stimulated chain(?).
For real, I'm Woody Allen on caffeine, I'm into lotions
and cream
How you think I keep my complexion so clean?
I may not be the fairest, but shit maybe I am (the fairest
bitch?)
And either way I don't give a god damn.

Boom. Five hundred pound (tonne?) gorilla
And the duchess (?) of Manilla
Think you're ill but I'll be zilla (?)
Boom. Fire red 18 wheeler
Bright green, Godzilla
And a yellow armadilla
[x3]

Doo. Toodoo, toodoo, toodoo.
Toodoo, toodoo, toodoo, toodoo
Toodoo, toodoo, toodoo, toodoo
Shit, goddamn, motherfucker, is you crazy

I'm about to put my foot down and I don't mean maybe

If you don't want me to step on your blue suede shoes
Get the hell out, or you can sing the blues
Sometimes I like the city, sometimes I kick it rural
See my rhymes go deeper than an epidural
Yet aint nothing new under the sun
And homegirls just want to have fun
It's Friday night and it's time for action
You got your good shoes on, baby and I feel like
dancing'
So let's do it right now, we can talk about it later
Cus my mood shifts like a high-rise elevator
Sometimes I read a book, sometimes I like to cook
Sometimes I like to hang out of a fast car window with a
couple of bitches
A couple of brews(?), a horse and a duck, top speed,
Yelling "I don't give a fuck!"

Boom. Five hundred pound (tonne?) gorilla
And the duchess (?) of Manilla
Think you're ill but I'll be zilla (?)
Boom. Fire red 18 wheeler
Bright green, Godzilla
And a yellow armadilla
[x3]

Doo. Toodoo, toodoo, toodoo.
