(Versus=1)

Woke up this morning,
all my loving heart had gone.
All that's left is loathing and anger,
and this painful song.

(Chorus)

Now my heart is all sad and full of pain
I'm Gonna pack this old suitcase and walk to the train
I'm Gonna point this old loving valleys toward the end
of the track
Lord only knows,if i'll ever come back!

(Versus=2)

Then this field of pain took all my kindness
and those smiles that i've never shown
stole all the happiness from my soul
left me living alone at home

(Chorus)

Now my heart is all sad and full of pain
i'm Gonna pack this old suitcase and walk to the train
i'm Gonna point this old loving valleys toward the end
of the track
Lord only knows,if i'll ever come back!

[Solo 15 secs]

(Chorus)

Now my heart is all sad and full of pain
i'm Gonna pack this old suitcase and walk to the train
i'm Gonna point this old loving valleys toward the end
of the track
Lord only knows,if i'll ever come back!

{Bridge}

Why you left me alone
took all the things and made me forlorn
for your own pleasure made me feel suffocate
Well i'm alive,but like non living stone.

(Chorus)

Now my heart is all sad and full of pain
(full of pain)
i'm Gonna pack this old suitcase and walk to the train
(to the train)
i'm Gonna point this old loving valleys toward the end
of the track
(End of the track)
Lord only knows,if i'll ever come back!

uhhh uh uhhh!
