Ok it's BadBoyKuzz back wit a brand new flow.

Still grinding still shinning in my city nigga i ball.

I do my bernie in the streets and malls everywhere, you can call me crazy nigga i don't really care.

Swinging my arms back and forth feeling hella cool, as crazy as it seems i guarantee you'll be doing it too.

That's just how we do, Me and my homies swagged out in the hood acting brainless like zombies.

The Police get word of it, The Old folks be fearing it,

The Cool kidz be feeling it and Goddamn we killing it.

Ain't no dance out there that can beat this.

MSYG disturbing the peace.

[Chorus:]

All this jerkin' got a nigga wasted but still feel like dancing, So what you gon' do? We can do it like Bernie!

[x2]

[Chimz101:]

Had a taste of that toxic cherry-berry.

A nigga kinda tangled up, a nigga life is blurry.

So i hit the scene do my jerk and my dougie, your shawty eye-balling me, your shawty kinda like me.

Put a switch on that ratchet then i turn her on.

Got my willie in her hole and a shawty start to moan.

Shawty feeling herself 'cause i told her she had grown.

My bernie intact i'm the king of that throne.

A nigga be rocking less talking, Flowing my nigga no stopping, Hot but a nigga not smoking, Flood her mouth shawty be chocking.

Bernie sick niggas be asking where i got it from.

I told 'em i'm king now bernie to the song.

[Chorus:]

All this jerkin' got a nigga wasted but still feel like dancing, So what you gon' do? We can do it like Bernie!

[x2]

[JoshGrandHustle:]

Dollar sign for my team, green mascot.  
And i Tinie her Tempah like pass out.  
I don't fall in love, boy i crash out.  
Me and my girl stay partying 'till it's lights out.  
'Cause My ambition is money, My preposition is money,  
My competition is money.  
I got a girl and i'm stunting.  
I got a couple dead pres'(presidents) for the girl that  
be dancing and i think that i'm fancy.  
Man i'm stacking up my paper so it look like i'm  
fencing.  
I got a girl wit a habbit saying she'll always pop it for  
me so i beat it like patty.  
Man these niggas stole my swagg i don't want it back.  
I ain't sexing on your spine i ain't coming back.  
[Chorus:]  
All this jerkin' got a nigga wasted but still feel like  
dancing, So what you gon' do? We can do it like Bernie!  
[x2]  
Do it do it like bernie, do it do it do it like bernie [x2].
