1 2 checka baby let me know whats up

(aowww)  
(babyyy)  
(cmonn)  
(aaoooww)  
(Oh tell me)

Mucho Deniro:

Tell me that you care about me  
Tell me is it bullshit  
Donâ€™t tell me its somebody else  
Cause girl I got a full clip  
Girls be on that bullshit  
Like how the hell you pull this  
House with the pool lit  
Always on some cool shit  
Red pool table with expensive ass pool sticks  
Five thousand dollar fish tank  
Full of your fish  
I can not enjoy this without you in this voyage  
I made some bad choices now Iâ€™m feeling poisoned  
Its like Iâ€™m hearing voices but I aint hearing nothing  
though  
Cruising through the city in the G5 bucket though  
Friends I donâ€™t trust them no  
I donâ€™t trust a fuckin soul  
Thatâ€™s prolly why you leaving me  
I already fuckin know

Elise 5000

Tell me tell me why do you play my heart like a game  
Cause Iâ€™m the girl that gets you and my love will  
never change

Chorus

Tell me  
If you still care  
about me (oh tell me)

Tell me  
If you still care  
about me

Elise 5000

Gave you my world  
The way I feel for you  
Cause I let it show (show)  
Boy don't you see  
The things I do for you no other girl can compete (oh  
tell me)  
Tell me tell me why do u treat me like you don't  
care  
Cause I'm the only girl whose love aint going  
nowhere  
Tell me tell me why do you play my heart like a game  
Cause I'm the only girl that gets you and my love  
will never change

Chorus

Tell me  
If you still care  
about me (oh tell me)  
Tell me  
If you still care  
about me

Mucho:

Imma real nigga  
Real niggas take chances  
We just understanding over standing simple  
circumstances  
Aint no looking for no answers  
Aint no taking marriage classes  
Niggas live and learn the hard way  
Simple mathematics  
Shortie is a lebra  
But she act like a cancer  
She make a nigga weak  
Her body is my cancer  
Twirling on the pole and in mind like a dancer  
Tell me if you still care  
Tell me what's the answer

Chorus

Tell me  
If you still care  
about me

(oh tell me)  
Tell me  
If you still care  
about me
