*[Rap:]*

I know it's hard to believe it  
What were you thinking  
Everything you thought was gone for wrong reasons  
Wasn't strong enough to resist temptation  
Shouldn't play round with imagination  
Sometimes love is blind it could cause deception  
No wonder nowadays you gotta have protection  
So playa give it up I've had enough to see  
That all your love for my girls was just make believe

*[1st Verse:]*

First time that I caught you slippin  
I thought that my eyes were trippen  
I was a fool  
Next time when you try to play me  
Caught you tryin to hide your hickies  
That was uncool

*[Build-up:]*

Since then every night, every day I think about you in a  
different way I tried

But I can't stay with you

*[Hook:]*

Playa, don't try to step to me  
You lied and you deceived  
And now I see that our love was make believe  
'Cause you know I got to be  
With a man who respects me  
But now I see that your love was make believe

*[2nd Verse:]*

Chillen all alone and thinking  
That you were busy working  
Making your moves  
But when I try to call you  
Some girl told me that we're through  
Then I heard Oooohhh

*[Build-up]*

*[Hook]*

*[Breakdown:]*

You, thought I was blind  
You, can't even blow my mind  
You, will wish you could rewind  
You, ain't even worth my time

*[Hook x2]*
