*[1st Verse:]*

Hey - Baby - Boy - Ya get down - With a girl - That don't  
appreciate - U  
What U - Waitin' 4 - There's someone - Standing here  
That'll - Treat U like - A real man  
She don't - Care about U - Can't U understand -  
U need 2 take my hand  
Holla back - Playa let me know  
If U - Feel the need - Won't U come - Get with me  
She don't - Have 2 know - We can creep - And keep it on  
the low  
Or U can - Make me your woman - Boy what U - Waitin'  
4  
Show dat girl - The door

*[Chorus:]*

Swing your love 2 me --- Swing your love 2 me---  
When in need --- (Won't U) --- Swing your love 2 me  
Swing your love 2 me --- Swing your love 2 me---  
Feel the need --- (Won't U) --- Swing your love 2 me

*[2nd Verse:]*

Hey mista - Don't hesitate - 2 swing - Your - Love - In my  
way  
This wake up call - Is opportunity - 2 correct a mistake -  
Now  
And if U - Need instruction - Boy I'll show U how --- Oh --  
-  
U need a woman - Who can treat a man - Like he must -  
Be treated  
From all your memories - Home girl - Must be deleted  
now  
She don't - Love U boy - She's never around

*[Chorus]*

*[Bridge:]*

She ain't got nothin' on me - It don't take much 2 see  
That she can't handle U  
She can't move U - She can't groove U - She can't do U  
like I do  
Rub your body - With my fingers - U got 2 - Swing your  
love 2 me

*[Break]*  
*[Chorus]*  
*[Vamp Out]*
